8	CONAGRAGC1920	SCISSORS	2	Pieces	HEBU Medical Cast Bandage Scissors HEBU Medical Cast Bandage Scissors are constructed of high-quality, surgical stainless steel and feature spring-loaded handles for easy use. They are ideal for sizing dressings and removing circumferential bandages. They may also be used to cut tougher material such as plaster, fiberglass, fabric, felt, padding, etc. The jaws of the bandage scissors are angled with the lower blade being slightly longer. The tip of the lower blade features a flattened blunt nodule that is intended to slide between bandages and skin without cutting the skin. The handles are angled and feature indentations for the fingers to improve grip and comfort, and prevent hand slippage during use. Quantity : 2 pieces
